

## Preface

Most of this book contains presentations held during an International Workshop on the “High Biodiversity of the Gulf of Aqaba”, organized and financed by the Institute for Advanced Studies of the Hebrew University, in Jerusalem and Eilat 16-23 October 2006. My special thanks are due to my colleague Dr. Nechama Ben Eliahu who helped in the organization and running of the workshop as well as to Ms. Pnina Feldman from that Institute.

The Institute for Advanced Studies and the Interuniversity Institute in Eilat provided support for the publication of this book.

My thanks to Mr. Barry Sheridan and to Mr. Ram Goldberg from the Magnes Press for their help in preparing the book for print.
